A. 1. It is the intention of the parties that this Agreement be construed in harmony with the rules and regulations of the Department of Personnel, Chapter 303 of the Laws of 1968, the Statutes of the State of New Jersey, and the Ordinances of the City of Atlantic City, and the rules and regulations of the Fire Department of the City of Atlantic City.

2. It is also the intention of the parties that this Agreement be interpreted consistent with the Opinion and Award of Arbitrator John J. Pearce, Jr. (Dkt. No. IA-90-185; February 1991) and Arbitrator Lawrence I. Hammer (Dkt. No. IA-93-101; February 1994). In the event of any inconsistency between the Agreement and the aforesaid arbitrators' Awards, the Awards shall be deemed controlling and shall take precedence.

All grievances shall be in writing as shall all responses to them by the City.

STEP 2 - Review by Union Grievance Committee.

The Union Grievance Committee shall screen and study all grievances within fifteen (15) days of their receipt to determine whether same has or lacks merit. Such processing of grievances shall take place without discrimination and irrespective of membership or affiliation with the Union. Upon finding merit, the Union Grievance Committee shall present written confirmation of such determination to the Chief of the Department with request that the Chief of the Department investigate and resolve same.

STEP 3 - Review by the Fire Chief. In the event the parties are unable to resolve the grievance at the Third Step, either party may, within fifteen (15) days, refer the matter to the Mayor of Atlantic City for his investigation and resolution. The Mayor may designate an individual in his stead to hear and resolve grievances presented, and the Union shall be provided timely notification of such individual's identity by the Mayor. The Mayor or his designee shall have fifteen (15) days within which to answer the grievance after his receipt of grievance referral.

In no event shall any employee enter the present contract with less than ten (10) working hours credited to each month of service, or one hundred forty (140) working hours at the beginning of each contract period. Working hours credited for the period starting January 1, 1982 until January 1, 1983 shall be one hundred thirty (130) working hours.

An individual who retires between January 1, 1993 to December 31, 1995 and does not elect to retire under the provisions of the "early out bill" shall have the terminal pay paid in accordance with current procedures.

If any retiree who elects the early retirement program has a sick leave payment of \$20,000.00 or less in total, then that

individual may elect to have this payment made in 1995.

5. Employees must provide notice before the City's budget submission date of the year in which they intend to take terminal leave.

ARTICLE 18

ACTING OUT OF TITLE

A. 1. Class A - Any out-of-title position due to retirement, extended illness, injury, death or military call-back of a minimum of ninety (90) calendar days, will be paid on a *per diem* rate of the out-of-title position and all Class A or provisional officers will receive all benefits of the out-of-title position. Computing shall start with the beginning of an assignment.

2. Regulations for Class A - In the event an employee is assigned to act out-of-title, he/she shall be selected from an existing promotional list of eligible employees for the position on a Class A out-of-title position. If no existing list is current, such employees shall be selected from the rank next preceding the vacated position. Assignments in Class A out-of-title shall be rotated on a cycle of ninety (90) working days, distributing such assignments equitably among the senior qualified personnel on the following basis:

a. A roster of those eligible for higher rank assignments shall be maintained. A daily log shall be kept and shall be the responsibility of the personnel officer or his/her designate, indicating assignments to higher ranked positions. Each calendar quarter, it will be made available to the parties to this Agreement to ascertain whether there has been an equitable distribution of assignments. Adjustments shall be made in the next

calendar quarter by making more assignments to those who served or had the opportunity to serve the least number of days for the preceding quarter.

b. Firefighters offered assignments out-of-title may refuse them, but such refusal will be charged as time spent in a higher rank for purposes of determining equitable distribution of assignments.

c. If there is an existing Department of Personnel list for the higher rank, the number one man on the list shall be placed in the vacancy.

d. In the absence of an existing Department of Personnel list, the senior man who is qualified shall be placed in the vacancy for ninety (90) working days and receive the pay at the higher rank. After these ninety (90) working days, the next senior man with qualifications shall replace him and the same conditions will prevail. In the event of a two-part promotional examination in which an interim list is issued, only personnel on the interim list will be deemed "qualified" to act out-of-title in the higher position.

e. In the event of refusal of assignment, the most junior eligible man must perform the higher rank assigned. All assignments for refusals shall be reported to and recorded by the Chief or his/her designate.

f. The Fire Chief and the Mayor shall take steps to maintain promotional opportunities by obtaining for fire

department personnel, periodical Department of Personnel qualifying examination for higher ranks and by declaring job vacancies as they occur.

g. When a promotional vacancy is created due to the terminal leave provision, and where there is an existing promotional list, such promotion shall be made within fifteen (15) consecutive days of the vacancy. In the event there is no existing list, Section A.2.d. will prevail.

B. 1. Class B - Any temporary out-of-title position caused by vacation, sickness, injury, military leave, funeral leave or emergency leave. Any person covered by this Agreement who is requested to accept the responsibilities and carry out the duties of position or rank above that which he/she normally holds, shall be paid at the rate for the position or rank while so acting. Computing shall start with the beginning of an assignment.

2. Regulations for Class B

a. Any person who is assigned to a higher position will be paid for the days he/she worked in the higher position, excluding days off.

b. The person assigned will be paid the difference in the hourly rate of the out-of-title position.

c. Acting Captain will be performed by journeymen firefighters in the particular company.

d. Acting Battalion Chief will be performed by Captains on the particular division.

e. Acting Deputy Chief will be performed by Battalion Chiefs on the particular division.

f. In the event of a promotional list, only personnel on the list will act "out-of-title" in the higher position. In the event there is no individual on the list permanently assigned to a Company, pursuant to Department of Personnel Regulations, personnel on the list will be reassigned to perform the acting out-of-title work. If there is no promotional list, then the acting out-of-title position will be performed by a journeyman assigned to seniority. At the Company level, the acting out-of-title position will be rotated on a four (4) working day basis. In the event of a two-part promotional examination in which an interim list is issued, only personnel on the interim list will be deemed "qualified" to act out-of-title in the higher position.

g. All assignment "acting out-of-title" for Battalion Chief and Deputy Chief will be distributed on an "equitable basis". "Equitable basis" shall be interpreted to mean the number of days worked as opposed to the number of assignments in higher positions.

C. The reason for the differential is that the responsibility assumed by the individual acting in an advance category is not adequately compensated. The reason for this is that they are being paid only for the days that they work and not *per diem*. Since an individual working in permanent rank on

a *per diem* basis actually is receiving 1/365 days salary because he/she is paid for his/her days off and vacation days. The individual acting out-of-title does not have the advantage of the *per diem* rate.

ARTICLE 19

HOLIDAYS

A. The employees covered by this Agreement shall receive the following holidays: Good Friday, Easter Sunday, Memorial Day, July Fourth, Labor Day, Columbus Day, Veteran's Day, Thanksgiving, Election Day, Christmas, New Year's Day, Washington's Birthday, Lincoln's Birthday, and Dr. Martin Luther King's Day.

B. The holiday pay shall be computed at the straight time hourly rate of pay by rank based upon a twelve (12) hour day using the forty (40) hour work week rate and paid in accordance with the hourly rate for the rank of the individual. Holiday pay shall be given to all employees for the above holidays whether or not they are scheduled off from work on the holidays. Longevity and educational stipends shall be added to the hourly rates of each individual.

C. Holiday pay shall be computed according to the rates in effect as of the date of actual payment, rather than the date of the occurrence of the holiday. It shall be payable in a lump sum in the last pay of November of each year.

D. Holiday pay for individuals acting "out-of-title" per the provisions of Article 18(A) above shall be computed at the higher rate of pay for only those holidays in which the individual held such "out-of-title" position. Similarly, holiday pay at the higher rate occasioned by a promotion shall be computed only for those holidays in which the individual held such promoted position.

The formula for figuring holiday pay is:
Individual's base rate for forty (40) hours weekly x twelve (12) hours per day x fourteen (14) holidays = Holiday Pay.

ARTICLE 20

PAY SCALE

A. Any First Year Apprentice hired during the term of the Agreement, who has not passed the written and practical apprenticeship test, shall continue to be paid at the First Year Apprentice rate until he/she passes the test. Once the test is passed, the salary rate change shall be effective the next anniversary date of the employee following the date the test is passed. This same procedure shall apply to Second and/or Third Year Apprentices who fail the appropriate advancement test whereupon they shall continue to be paid at the level in which they took the test. It is understood and agreed that increment in pay is conditional upon passing of test.

B. 1. If a First, Second or Third Year Apprentice passes the apprenticeship test the first time taken and the test

is taken before his/her anniversary date, the salary rate change shall be effective on the employee's anniversary date.

2. If the First, Second or Third Year Apprentice passes the apprenticeship test the first time taken and the test is taken after his/her anniversary date, the salary rate change shall be effective retroactive to the employee's anniversary date.

3. If the First, Second or Third Year Apprentice fails the test and he/she retakes the examination and passes it, the salary rate change will not become effective until the employee's next anniversary date.

C. In accordance with the Memorandum of Understanding addressing implementation by the City of the Early Retirement Incentive Program, all fire fighters currently employed (as of December 31, 1993) in the Department shall reach the top step of the Fire Fighters Guide at the commencement of their fourth (4) year of employment as referenced in Section D below.
